

Sponsorship Information

Thank you for your interest in sponsoring PYP-YMCA of the Suncoast Piranhas.

What is the PYP Piranha Swim team all about?

PYP Piranhas is a year-round competitive swim program focused on the ideals of stroke, technique, aerobic conditioning and interval training for youths ranging from 5 years to 18 years of age. The YMCA not only places an emphasis on the skills of the sport, but also places a strong emphasis on fair play, good sportsmanship, and the YMCA's Character Development traits of caring, honesty, respect, and responsibility. These skills are taught in accordance with the Mission of the YMCA, which is *To put Christian principles into practice through programs that build a healthy spirit, mind, and body for all.* The YMCA has an open door policy that states that no one is ever turned away due to the inability to pay. We are proud to offer financial assistance programs.

What does the PYP-Piranhas season entail?

As an active/participating team in USA/Florida Swimming and YMCA Swimming and Diving, the PYP Year-round program consists of two swimming seasons –Short Course Yards and Long Course Meters.

We offer 7 levels of skill development, each designed to focus on ability levels geared toward individual performance goals.

How does Sponsorships help the Piranhas?

Your sponsorship of program items or monetary donations helps provide needed supplies (i.e. Team Outfitting, Swimmer Recognition and Awards, Equipment, Team Supplies, Team/Individual Travel, etc). Additionally, it enables the coaching staff the opportunities of continued education for professional skills and applied technical knowledge. Overall, sponsorships help keep the program fees low so more athletes can experience the YMCA Programs.

What are the benefits of sponsoring a team?

You can make a difference! Your financial support will compliment the training and support provided by the YMCA. We will share Sponsorship Levels with the swim families extending thanks and recognizing your family or business for support through our team website www.pypswimming.org and PYP communications. Sponsorship Levels are found on the attached form.
